Preserving Family Photos and Scrapbooking

Great afternoon on the 24th August. The ladies had a delightful time creating either a Scrapbook Page or Photo Frame Insert and learning about taking care of their photos. Lisa Mansell will be back again on the 28th September to do a Wedding Themed Workshop - so please book.

We just received this email: *Hi Dublin History Group*

It is with great pleasure that I advise that you were one of the winners of a 12 month membership of AFFHO for your participation in NFHM. Congratulations and I hope you enjoy your membership.

Thanks Shauna - Shauna Hicks History Enterprises

AFFHO is the The Australasian Federation of Family History Organisations Inc. and was established in 1978 to coordinate and assist the work of Australian and New Zealand groups with interests in family history, genealogy, heraldry and related subjects. Exciting new resource for the Dublin History Group

Saluting our WW1 Soldiers

9th November @ the Dublin Institute, Memorial Trees will be planted. The tree positions have been marked out in consultation the Mallala Council's Horticultural Services Officer, Pam Drew the trees chosen Cupaniopsis anacardioides (Tuckeroo) and ordered and the plaques are being engraved.

Family members are contacting us to be involved with the ceremony So full steam ahead.

As someone said the other day, he had been coming to the Dublin Institute for as long as he could remember and this will be one of the most significant changes he has seen and was really looking forward to it, one of his family will be remembered so it is especially important to him.

Schlodder Shelter Tiles

Well the Tile Day on the 10th August was a great deal of fun, lovely tiles were created. The old Schlodder Shelter has been pulled down and the bigger metal one with new seating and the lovely stone wall should be on it's way. Great place to enjoy those yummy Sausage Sizzles or a break from the long drive.
